DETAILED ACTION

Allowable Subject Matter

1. Claims 22-42 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: When read as a whole, claims 22, 27, 32, and 38 are allowable with respect to the following limitations:

With respect to claims 22 and 27, the primary reason for allowance is the limitation of delaying upper layer ARQ operations of the mobile station for the lost packet data unit for a delay period corresponding to a duration of physical layer ARQ operations of the mobile station for the lost packet data unit.

With respect claims 32 and 38, the primary reason for allowance is the limitation to coordinate the physical layer ARQ operations with the upper layer ARQ operations by delaying upper layer ARQ operations for a lost packet data unit to allow the physical layer ARQ operations of the mobile station to recover a physical layer frame carrying the lost packet data unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
